# Get to Know Gainwell

Gainwell is a strategic partner and technology provider solely focused on helping our nation's health and human services evolve to deliver greater cost savings, better patient outcomes and an improved provider experience.

# Gainwell in U.S. Virgin Islands

- Ten years serving the Government of the Virgin Islands
- Four Virgin Islands residents providing ongoing operations support along with numerous experts who support this contract
- Increased CMS compliance, resulting in secured funding
- Meets federal MITA, interoperability and modularity standards
- CMS-certified system
- Gainwell's ongoing commitment to support the partnership

# Partnering Toward Better Outcomes

## Together, We Are:

- Improving access to care for VI Medicaid members
- Improving health outcomes for Medicaid members
- Providing timely healthcare claim processing
- Improving the provider payment experience, thereby encouraging provider participation

# Thank you

We appreciate this opportunity
